

DIRECTED STUDY

Application for a Directed Study (Undergraduate)

Honors, Independent Study, Research, Applied Music

Registration for a Directed Study must be completed no later than the end of the official Add/Drop period.

No student should begin course work prior to officially registering. Completed application for directed study, including appropriate signatures, and required supporting documents must be on file at the Student Navigation Center, prior to the student's registration.

Day Cont. Ed.

Please note that your directed study requires the signature of the Dean of the School in which the directed study is offered unless the directed study is being offered in the summer or regular academic year through the School of Continuing and Professional Studies. These directed studies require the signature of the Dean of Continuing and Professional Studies. Please note that all summer directed studies are offered only through the School of Continuing and Professional Studies.
