ACCESSING ZOOM

Desktop/Laptop

- Select the Zoom meeting link for the scheduled Zoom meeting you want to join.
- The Zoom application will automatically start to download.
- Follow the on-screen instructions to complete the download. (If the meeting does not automatically launch after the download is complete, select the meeting link in your email again.)
- Select "Allow" to let the page open "Zoom.us."
- Enter your name as you want it to appear.
- Join with or without video enabled.
- Join with computer audio.
- You are in!
- Select "Leave" in the bottom right corner of the window when you are ready to leave the meeting.

& Salem State
