If you selecting a suite, you will need to place each of your suitemates in their desired bedroom, so make sure you have a conversation about who will live with who/in which room in advance of your selection time! If selecting by yourself, please make sure your name is in the dropdown menu. Don't worry about “bed A or bed B” – that is just a way to distinguish each bed in the room and doesn't matter. What DOES matter is who lives in which bedroom so make sure you have that info!
