MassTransfer Gen Ed Foundation:

Comp I	Comp II	Beh/SS	Beh/SS	Beh/SS	Hum/FA	Hum/FA	Hum/FA	Sci- Lab	Sci	Math
CMP101	CMP 2	Beh Sci Elective or SOC	Soc Sci Elective	Soc Sci Elective	SPN101	Hum Elect	SPN 102	Lab sci elective	Elec	MAT 140 level or higher

Students who complete NSCC's Liberal Arts AA, Spanish Pathway, can transfer to any one of the following Salem State University programs with full applicability of credit toward graduation requirements. All courses required of the Spanish Pathway will transfer and will apply to the program as either a major, minor, foreign language, support course requirement or free elective depending on the program.

Notes:

- For programs marked with an asterisk*, there may be certain caveats. For example, credits will be fully applicable if the student chooses their Social Science and /or Liberal Arts electives closely based on the support requirements for their intended major. For example:
 - Choose Behavioral/ Social Science and / or Liberal Arts electives based on their choice of minor for Dance majors.
 - Psychology courses are chosen as Social Science and /or Liberal Arts electives for PSY BA majors.
 - Choose a math or science elective that will apply as a major course or major support course for Biology BS majors. For example - NSCC MAT152 or MAT251, or BIO209, BIO202 or CHE103.
 - Choose Social Science and /or Liberal Arts electives closely based on the support requirements for Social Work majors.

It is strongly recommended that students refer to the degree map for the Salem program as early as possible for these programs to view specific requirements.

- While the Spanish Pathway courses transfer and are fully applicable to the programs as noted below, students are best advised to complete the **Mass Transfer Pathway** for some specific programs for the purposes of ideal course sequencing. (Biology, Chemistry, Business)

Bachelor of Arts

Art, Art History Concentration, BA
Art, Studio Art & Photography Concentration, BA
Biology, BA *(although students are best off completing the Biology Mass Transfer Pathway)*
Dance, BA*
Economics, BA
English, BA
English, BA, Creative Writing
English, BA, Professional Writing
Geography, BA
History, Africa, Asia, and Latin America Concentration, BA
History, Applied History Concentration, Pre-Legal/Business Option, BA
History, Applied History Concentration, Public History Option, BA
History, BA
History, European Concentration, BA
History, United States History Concentration, BA
Music, BA
Philosophy, BA
Political Science, BA
Psychology, BA*
Sociology, BA with a Minor
Theatre Arts, Performance Concentration, BA
Theatre Arts, Technical Theatre Concentration, BA
World Languages and Cultures, French Concentration, BA
World Languages and Cultures, Italian Concentration, BA
World Languages and Cultures, Spanish Concentration, BA

Bachelor of Science

Biology, BS* *(although students are best off completing the Biology Mass Transfer Pathway)*
Cartography and Geographic Information Systems, BS
Chemistry, BS *(although students are best off completing the Chemistry Mass Transfer Pathway)*
Criminal Justice, BS, Criminal Investigation Concentration* *(although students are best off completing the Criminal Justice Mass Transfer Pathway)*
Criminal Justice, Criminology Concentration, BS *(although students are best off completing the Criminal Justice Mass Transfer Pathway)*
Criminal Justice and Spanish, BS
