

School of Graduate Studies Academic Improvement Plan

To be completed between the student and their Program Coordinator. The School of Graduate Studies Academic Improvement Plan must detail how the student will regain good academic standing during their probationary period.

Name

Student ID

I, _____, understand that I am currently not meeting academic progress and must design an Academic Improvement Plan with my Program Coordinator. If approved, I agree to follow the academic plan below until the next evaluation period.

School of Graduate Studies Academic Improvement Plan:
