

SUMMER FINANCIAL AID INFORMATION

YOU MUST BE A MATRICULATED STUDENT AT SALEM STATE AND HAVE A VALID **2020-21 FAFSA** ON FILE TO APPLY!

HERE IS WHAT YOU NEED TO KNOW ABOUT SUMMER AID:

- You must register for all your classes (for all sessions) by Tuesday, May 25 at 11 pm. If eligible for aid you will be awarded between April and June, you will receive a notice via your Salem State email with terms, conditions, and disbursement rules.
- If you change your enrollment, do not attend, or do not complete a registered course then your aid will be adjusted, and you will likely owe a balance.
- Financial Aid is earned based upon days of attendance. Students who do not complete their summer courses will be subjected to the Return of Title IV policy resulting in loss of aid. This return calculation can occur AFTER summer classes have concluded and will result in a balance due.

Summer Session Refund Policy	
Summer Add/Drop Period Ends One Business Day After the First Class Meeting	
If You Withdraw from Course(s):	Percentage of Refund:
Before or During Add/Drop Period	100% Refund
Between 1 and 6 Calendar Days After Add/Drop Ends	50% Tuition Only (no fee refund)
7 or More Calendar Days After Add/Drop Ends	No Refund
IMPORTANT: If you decide you don't want to attend a class that you registered for you MUST drop the course(s) online. It is your responsibility to be sure your schedule matches your intentions.	

ACADEMIC STANDING AND SATISFACTORY ACADEMIC PROGRESS (SAP):

Summer aid is processed before Spring grades are posted. At the end of spring term if you are academically dismissed or not making SAP, you will be ineligible for summer financial aid. Any summer aid awarded will be canceled and will result in a balance due.

Due to the academic intensity of the summer session, if you are on academic warning or probation, we strongly suggest you discuss your summer enrollment with an academic advisor.

If you are on academic warning at the end of the spring term:

- Undergraduates must earn a minimum 2.0 GPA and successfully complete 66% of summer courses attempted.
- Graduate students must earn a minimum 3.0 GPA and successfully complete 66% of summer courses attempted.

Failure to achieve above requirements will result in academic probation and the loss of your financial aid for the fall semester.

If you are currently on academic probation:

- You must have an approved probation appeal from Financial Aid.
- You must be on an approved summer academic contract from Center for Academic Excellence (CAE/ADVISING).
- Undergraduates must earn a minimum 2.0 GPA and successfully complete 66% of summer courses attempted.
- Graduate students must earn a minimum 3.0 GPA and successfully complete 66% of summer courses attempted.

Failure to achieve above requirements will result in an academic contract violation, the loss of your financial aid eligibility at Salem State and possible dismissal from the university.
